Worthless Stuff!

What a lot of trash is sold as cough cures. The hollow drum makes the loudest noise—the biggest advertisement often covers worthlessness.

Sixty years of cures and such testimony as the following have taught us what Ayer's Cherry Pectoral will do.

"I had a most stubborn cough for many years. It deprived me of sleep and made me lose flesh rapidly. I was treated by many eminent physicians, but could get no permanent relief. I then tried Ayer's Cherry Pectoral, and I began to get better at once. I now aleep well, my old flesh is back, and I enjoy myself in every way at the age of seventy-four."—R. N.
